1. Terms

By accessing the website at <https://wdalicense.solarwebapp.com>, you are agreeing to be bound by these terms of service, all applicable laws and regulations, and agree that you are responsible for compliance with any applicable local laws. If you do not agree with any of these terms, you are prohibited from using or accessing this site. The materials contained in this website are protected by applicable copyright and trademark law.

2. Use License

Permission is granted to temporarily download one copy of the materials (information or software) on SOLaR's website for personal, non-commercial transitory viewing only. This is the grant of a license, not a transfer of title, and under this license you may not:

- modify or copy the materials;
- use the materials for any commercial purpose, or for any public display (commercial or non-commercial);
- attempt to decompile or reverse engineer any software contained on SOLaR's website;
- remove any copyright or other proprietary notations from the materials; or
- transfer the materials to another person or "mirror" the materials on any other server.

This license shall automatically terminate if you violate any of these restrictions and may be terminated by SOLaR at any time. Upon terminating your viewing of these materials or upon the termination of this license, you must destroy any downloaded materials in your possession whether in electronic or printed format.

3. Log Files

SOLaR logs IP addresses to help monitor the site. IP addresses are not linked to personally identifiable information. Additionally, for systems administration, detecting usage patterns and troubleshooting purposes, our web servers automatically log standard access information including browser type, access times/open mail, URL requested, and referral URL. This information is not shared with third parties and is used only by SOLaR on a need-to-know basis. Any individually identifiable information related to this data will never be used in any way different to that stated within this Terms of Service without your explicit permission.

4. Cookies

As with most interactive web sites this website uses cookies to enable SOLaR to retrieve user details for each visit. Cookies are used in some areas of our site to enable the functionality of this area and ease of use for those people visiting. The cookies used hold your information in a secure and temporary manner. The user will not hold SOLaR liable if any part of our website keeps information stored on your machine or device, nor will the user hold SOLaR liable should any damage occur to any of your property or electronic data while using the License program or viewing any part of our website.

5. Disclaimer

The materials on SOLaR's website are provided on an 'as is' basis. SOLaR makes no warranties, expressed or implied, and hereby disclaims and negates all other warranties including, without limitation, implied warranties or conditions of merchantability, fitness for a particular purpose, or non-infringement of intellectual property or other violation of rights.

Further, SOLaR does not warrant or make any representations concerning the accuracy, likely results, or reliability of the use of the materials on its website or otherwise relating to such materials or on any sites linked to this site.

6. Limitations

In no event shall SOLaR or its suppliers be liable for any damages (including, without limitation, damages for loss of data or profit, or due to business interruption) arising out of the use or inability to use the materials on SOLaR's website, even if SOLaR or a SOLaR authorized representative has been notified orally or in writing of the possibility of such damage. Because some jurisdictions do not allow limitations on implied warranties, or limitations of liability for consequential or incidental damages, these limitations may not apply to you.

7. Accuracy of materials

The materials appearing on SOLaR's website could include technical, typographical, or photographic errors. SOLaR does not warrant that any of the materials on its website are accurate, complete or current. SOLaR may make changes to the materials contained on its website at any time without notice. However SOLaR does not make any commitment to update the materials.

8. Links

SOLaR does not actively monitor all of the sites linked to its website and is not responsible for the contents of any such linked site. The inclusion of any link does not imply endorsement by SOLaR of the site. Use of any such linked website is at the user's own risk.

9. Modifications

SOLaR may revise these terms of service for its website at any time without notice. By using this website you are agreeing to be bound by the then current version of these terms of service.

10. Governing Law

These terms and conditions are governed by and construed in accordance with the laws of Wyoming and you irrevocably submit to the exclusive jurisdiction of the courts in that State or location.
